About Us

We are pleased to introduce ourselves as a trusted and dynamic provider of Freezer Truck, Chiller Van, and Staff Transportation rental services in Qatar. With a strong track record of on-time delivery, professional drivers, and reliable vehicles, we have served numerous industries including schools, hotels, offices, and retail businesses across Doha.

We would like to take this opportunity to inform you that we have now expanded our services to include comprehensive Oilfield Supply and Marine Support Services. With this addition, we are fully equipped to meet the demanding logistics needs of offshore and onshore oil & gas operations, marine transport, port logistics, and crew/staff movement.

Our capabilities now include:

- Thermally Insulated Freezer Trucks & Chiller Vans (1 Ton to 10 Ton capacity)
- Staff Transportation Vehicles (Daily, Weekly, Monthly & Yearly basis)
- Oilfield Supply Logistics
- Marine Vessel Support & Port Handling Services
- Custom Transport Solutions for High-Sensitivity Cargo

Our team of experienced professionals and a fleet of modern vehicles ensure timely, safe, and cost-effective solutions. We pride ourselves in being responsive, flexible, and committed to meeting the unique needs of every client.

airports cargo movements , Inter storage services for multiple delivery sectors

Type Of Cargo Currently Handling

All perishable items and cargo need to handle in specified temperatures

100% Frozen Chiller Truck Delivery

You need to understand the importance of complete frozen delivery of few food items if you are running a restaurant or catering business in Doha, Qatar. Our chiller trucks are in some instances specially designed to suit various small businesses. The chiller trucks, simply speaking, will be receiving even fancier and quickly anywhere in Doha, Qatar.

Your restaurant wants an efficient chiller truck rental company to transfer fresh and cool food items which should quickly reach your cooking chefs to prepare delicious and fresh food to every one among your various customers. If you are aware of how to use an ice box or cooler for food storage, and a number of tricks for creating your ice last longer, you can get great meals out of our professional chiller truck rental service. In a nutshell, instead of placing food right on the ice in the cooler which will melt and you'll wind up getting your food sitting in water it's much better to find some racks or grates and place your food in bins on the racks.

Logistics & Transportation Services

We provide excellent transportation services across the country with owned and hired vehicles. As per requirement of our customers and partners can arrange transportation of various types of cargoes. have a dedicated team looking after these operations.

- Providing high quality transportation services to all of our clients
- Invest in our employees to provide better service and company growth
- Worry about enviroment according to latest industry standards
- Safety as top priority in assuring safe work procedures
- Investing in technology to provide fast, acurate and cost-effective service
- Living up to highest industry standards
